Aviation Services Patrons

SUBJECT: Operations in the Augusta Airport System During Masters® Golf Tournament 2004

Dear Patron,

Welcome golf fans to Masters 2004, the 68th annual Masters® Golf Tournament! For your convenience, Augusta, Georgia is privileged to operate two airports within the city limits, both of which are quite capable of accommodating your travel needs. Daniel Field (DNL) is located at the intersection of Wrightsboro Road and Highland Avenue. Augusta Regional Airport at Bush Field (AGS) is located at the intersection of Doug Barnard Parkway and Tobacco Road. Both airports are committed to making your visit as enjoyable and trouble free as possible.

Due to the heavy aircraft traffic the Augusta airports have seen in the past several years during the Masters® Golf Tournament, we suggest that you utilize the airport that can provide the service you need. Both airports provide FAA instrument arrival and departure service. Both Augusta Regional Airport (Aviation Services) and Daniel Field (Augusta Aviation, Inc.) provide fuel and all customer service amenities you and your guests may require.

Federal Aviation Administration (FAA):

- To relieve traffic congestion, the FAA Air Traffic Control System Command Center will utilize a Special Traffic Management Program which requires slot reservations for all domestic non-scheduled IFR arrivals and departures to/from Augusta Regional Airport (AGS), Daniel Field (DNL), Aiken Municipal Airport (AIK), and Thomson-McDuffie County Airport (HQU).
- Arrival slot reservations will be required for IFR aircraft operating at the airports April 5 – 12, 2004, between the hours of 1000Z – 0300Z daily.
- Departure slot reservations will be required for IFR aircraft operating at the airports April 9 – 12, 2004, between the hours of 1000Z – 0300Z daily.

- For the most current NOTAM please call FAA Flight Service Stations at 1-800-WX-BRIEF or go to the web site <http://www.faa.gov/NATP>, or the AGS FAA ATC web site at www.agsatct.faa.gov.

A copy of the 2004 FAA Masters® Golf Tournament Special Air Traffic Procedures is enclosed for your convenience.

Daniel Field (DNL):

- Daniel Field has two lighted, asphalt runways with parallel taxiways. Runway 5/23 measures 4,000 x 100 feet. Runway 11/29 measures 3,732 x 100 feet. The airport has a rotating beacon, lighted wind indicator, and Automated Surface Observing System (ASOS).
- DNL is located three miles from Augusta National.
- The Daniel Field terminal area has bathrooms, telephones, flight planning area, pilot's lounge and conference room. Complimentary continental breakfast and home-style lunch will be provided for your crew during the week of April 7-14. Catering is available upon request. DNL also has quality line service and APU service. 100LL and JetA with FSII are available for sale. Taxicab service is available to transport you from Daniel Field to the golf tournament.
- For further Daniel Field information please visit Augusta Aviation's web site: www.augustaaviation.com or call (706) 733-8970.

Augusta Regional Airport at Bush Field (AGS):

- Augusta Regional Airport also has two lighted runways. Runway 17/35 is 8,000 feet long and is instrument certified with ILS approaches to both Runway 17 and 35. Runway 8/26 is 6,000 feet long. Both runways are 150 wide. The FAA control tower operates daily from 1145Z to 0400Z. Aviation Services, your FBO at Augusta Regional Airport, provides twenty-four hour line service, 32,000 square feet of hangar space for daily aircraft storage, and Avfuel 100LL and jet fuels. Our jet fuel is premixed with FSII for your convenience.
- Events 20/20 will handle all of your catering needs. You may place your order by calling (706) 842-0954. A representative will also be available in the FBO to assist you with your catering needs. Master Card, Visa, American Express, or Discover credit cards are accepted forms of payment.

- Augusta Regional Airport provides on airport 24-hour aircraft rescue and firefighter and police services.

- As an AVNET dealer, Aviation Services is proud to participate with Avfuel's AVTRIP program.
- Garrett Aviation Augusta, MultiService, Augusta Regional Airport, and Avfuel Corporation are jointly sponsoring a hospitality suite for our guest during Masters. The hospitality suite is located immediately north of Aviation Services. Please drop by for complimentary food and beverages.
- Last year we entered into a partnership with Mercury Air Centers and Athens Ben Epps Airport to provide additional fueling personnel during the Masters® Golf Tournament. The additional personnel helped to reduce fueling delays and to increase our responsiveness to customer service request. Because the partnership was so successful, we are doing it again this year. We sincerely appreciate Mercury Air Centers' and Athens Ben Epps Airport's support to help meet our customers' requirements.
- For the most current Augusta Regional Airport information, please call Aviation Services at (706) 798-2656 or visit our web sit at www.AugustaRegionalAirport.com.

Ramp Fees:

- Both airports are very sensitive to our customers' concerns over fuel prices and added fees. Providing personnel and equipment to "make" your visit to Augusta happen is expensive and since so many aircraft do not purchase at least courtesy fuel, we have implemented a very reasonable Ramp Fee. Please check with each FBO for special rules concerning their ramp fees. The Ramp Fee is based on aircraft landing weight. It is a daily fee and is charged per aircraft arrival.
- Our current Special Event Ramp Fees are as follows:

Aircraft Weight Limits	AGS Ramp Fee	DNL Ramp Fee
Up to 8,000 lbs	\$40	\$25
8,001 to 12,500 lbs.	\$40	\$35
12,501 to 25,000 lbs.	\$65	\$50
25,001 to 50,000 lbs.	\$125	\$75
50,000 to 100,000 lbs.	\$150	N/A
Over 100,000 lbs	\$315	N/A

On behalf of all the employees at Augusta Regional Airport and Daniel Field, we look forward to providing you the best service possible during your visit to Augusta.

Sincerely,

A handwritten signature in black ink, appearing to read "Willis M. Boshears". The signature is fluid and cursive, with the first name "Willis" and last name "Boshears" clearly distinguishable.

Willis M. Boshears
